

## SLOVENIAN - CROATIAN MARKET COUPLING TO LAUNCH ON JUNE 19<sup>th</sup> 2018

**15<sup>th</sup> June 2018** The Slovenian – Croatian Market Coupling Project received final approval of the involved regulatory authorities and is scheduled to launch on June 19<sup>th</sup> 2018 (for delivery day June 20<sup>th</sup> 2018).

After receiving the final approval from involved regulatory authorities the launch of the Slovenian - Croatian Market Coupling will take place on June 19<sup>th</sup> (for delivery day June 20<sup>th</sup>). From this date onwards, capacity for the Slovenian - Croatian border will be implicitly allocated through the PCR solution for the Day-Ahead markets, making the border a part of the Multi-Regional Coupling (MRC).
