

CROSS-BORDER INTRADAY IMPLICIT ALLOCATION (ID-IA) IT-SI

Communication Go-Live date for Market Participants

20 June 2016

THE ID-IA project is confirmed TO BE LAUNCHED STARTING FROM 21st June 2016 (*delivery date 22nd June*)

Following the communication to the Market Participants published on the project parties' websites on 29th February 2016, the launch of the ID-IA PROJECT is now confirmed to take place on 21st June 2016 (delivery date 22nd June 2016), based on the approval issued by the concerned National Regulatory Authorities (AEEG-SI, Agencija za energijo).

The first ID sessions of MI2 and MI5 to be coupled will be the following ones:

- The MI2 session operated on **21st June** (delivery date: 22nd June). The MI5 session operated on 21st June (delivery date: 21st June) shall not be coupled
- The MI5 session operated on **22nd June** (delivery date: 22nd June)
